I, (print applicant name) swear or affirm that I currently do not receive income of any type that has not already been reported in my application for the Ohio Ryan White Part B programs including the OHIO HIV Drug Assistance Program (OHDAP). I understand that income includes all money received from work, even that which is not reported for tax purposes. Income also includes, but is not limited to, money received from retirement, investments, unemployment compensation, and disability benefits. I am aware that I must also report any and all income earned by a married spouse (if married) and parents (if a dependent).

I am aware that providing false, incomplete or inaccurate information regarding income or any other aspect of the application may result in my inability to receive further assistance from any and all Ryan White Part B funded programs.

**AUTHORIZATION FOR PROOF AND
RELEASE OF INFORMATION AND HIV/AIDS REPORTING**

The number of HIV cases reported in Ohio determines funding for HIV/AIDS services. HIV/AIDS reporting has significant impact on the dollars available to assist individuals. Monies for the Ryan White Part B Programs (e.g., OHDAP, HIPP, medical case management, financial assistance, etc.) are granted to Ohio based upon the reported number of people living with HIV/AIDS in our state.

Ohio law mandates that HIV and AIDS cases be reported to the Ohio Department of Health.

I understand that submitting this application to the Ryan White Part B program at the Ohio Department of Health may generate a confidential HIV/AIDS case report form to comply with Ohio law.

I authorize the Ohio Department of Health to verify all the information stated in my application to receive Ryan White Part B services relative to my medical condition, program eligibility status, financial income and available resources, insurance benefits, and other sources of assistance available to me.

I understand that the Ohio Department of Health may communicate with any individual, entity, agency, or organization including my physician, my medical case manager, my county Department of Job and Family Services office, my emergency contact, or other provider listed on the application to determine my current, on-going, or future eligibility for program services or to assist me in receiving services through this or other programs for which I may be eligible.

I understand that I must inform the Ryan White Part B program if any of the information regarding my eligibility status (e.g., HIV status, Ohio residency status, financial/income status) changes in any way. I understand that providing false, incomplete, or inaccurate information may result in termination or denial of benefits or possible legal action.

By my signature below, I affirm that to the best of my knowledge and belief, the answers and information furnished are complete and correct. I agree to the release of my information to the necessary individuals, entities, organizations, and/or agencies as described above, including to verify the information I have provided. I understand Ohio mandates HIV and AIDS case reporting.
